Citing Sources According to MLA (7th ed.)

The guide is based on the seventh edition of the *MLA Handbook for Writers of Research Papers*. It is available at call number LB 2369 G53 2009. Use this guide to organize your list of Works Cited and also the Parenthetical Notes in the text of your essay. ***This latest edition of the handbook has discarded the use of End Notes or Footnotes.*** Please consult the manual to cite materials not included below (e.g.: lectures, speeches, etc.). See also the Modern Language Association of America’s site: [Frequently Asked Questions about the MLA Handbook](http://www.mla.org/handbook_faq).

*N.B.:* This guide is based on one designed by John Tyndall at the University of Western Ontario's D B Weldon Library and is kindly reproduced here by permission of the author.
